

*Our goal is to provide each student with the necessary tools to solve problems both academically and socially. Our students are cooperative learners who know how to work independently and in groups. They articulate ideas in both the oral and written form. Students utilize technology in our Media Center to enhance their understanding and create original and high quality projects.*

*Our school's mission is to nurture Christ-like behavior in one another; therefore, success is also measured by compassion for and tolerance of others. Teachers and staff, working in partnership with parents, provide a Christ centered environment where students are encouraged to live the Gospel, challenged to meet high academic expectations, and inspired to develop into responsible citizens who will contribute to our society.*

**Nurturing Christ-like behavior  
in one another.**

*Holy Family Catholic School is a Preschool through 8<sup>th</sup> grade Catholic Elementary School located in Citrus Heights, California. For over half of a century, Holy Family Catholic School (HFS) has offered an exceptional values-based education.*

*Thousands of young people have passed through the doors and emerged with both a solid educational foundation and a deeper commitment to their faith, family, and community. Our diverse student body is drawn from over 20 surrounding communities and over 10 different parishes.*

*Our school distinguishes itself academically and participates in many Diocesan educational events.*

*We realize selecting a school for your child is a very important decision. It is one that will affect your family's life for years. We invite you to discover life at Holy Family Catholic School through our website ([www.holyfamilyca.org](http://www.holyfamilyca.org)), open houses, school events, and activities.*

**At Holy Family Catholic School we strive for academic excellence in a safe "extended family" environment. Fun, fellowship and care of others are integral to life at Holy Family Catholic School.**
